

Luther I. "Junie" Sachs, Jr. Elected Recreation Manager; Will Serve Until September 1

Directors of the Gettysburg Recreation Association Tuesday night appointed Luther I. "Junie" Sachs Jr., 27-year-old local high school teacher, as Gettysburg recreation manager from April 1 to September 1.

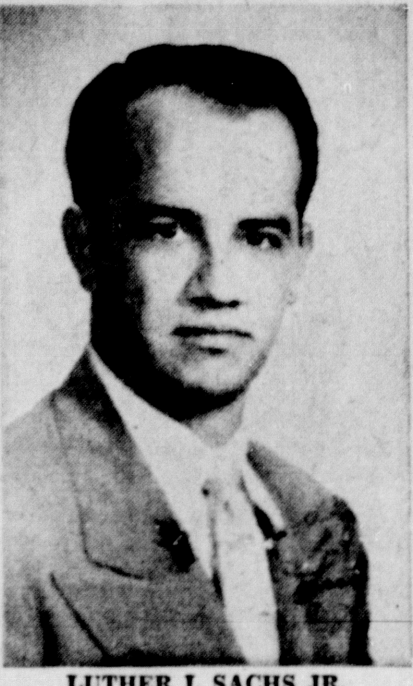

The appointment was made at a special meeting of the recreation board in the Engine House less than two weeks after Ira R. Kerr, former recreation director, announced his resignation to accept a public relations position at the Dickinson School of Law, Carlisle.

The board agreed to engage Sachs on a part-time basis from April 1 to July 1. At that time, the Gettysburg High School graduate and Navy veteran will take over as a full-time recreation manager.

Coaches Sports
Sachs said that a full-time position as recreation director will conflict with his fall and winter school obligations. He is a junior high school football and basketball coach and teaches math, health, and physical education at the high school.

The board voted to engage John Horner, school janitor, to clean the high school gymnasium after weekend dances, and gave the Gettysburg Fire Company permission to proceed with its plans to "gradually" improve the athletic house on Recreation Field.

Donald W. McSherry, first assistant fire chief, said that a new roof and shingles siding will be among the first renovations to the building, called by both fire company and recreation officials as an "eye-sore."

The next meeting of the group will be held April 13.

SOROPTIMISTS DINE TUESDAY

The Soroptimist Club of Gettysburg held a banquet at the Cash-town Fire Hall Tuesday evening with 65 members and guests attending. Mrs. D. Fred Slegal acted as toastmistress for the occasion. Entertainment was furnished by a group of young folk. Miss Donna Gilbert of Biglerville, Miss Suetta Martin of Fairfield and Ronald Hankey of McKnightstown who performed several tap and ballet dances in costume. Miss Angelyn Slegal, 5-year-old daughter of Mr. and Mrs. D. Fred Slegal of McKnightstown did ballet and tap numbers and Roland Keller, also of McKnightstown, presented trumpet solos.

Out-of-town visitors included nine members of the Soroptimist Club of Chambersburg: Marguerite Cook, president; Jessie Tosh, vice president; Marion Martin, recording secretary; Blanche Frayer, corresponding secretary; Janet Ritter, treasurer; Lulu Carl, Grace Brandon, Nora McGehee and Catherine Hull.

Prospective new members were also invited to attend as guests. The committee in charge was Miss Alma Cluck, chairman. Mrs. Fred Oriest, Mrs. Wilmer Bream and Mrs. Blaine Walter. The dinner was prepared and served by the Loyal Workers' Class and the Youth Society Class of the McKnightstown Reformed Church.

PSEA BANQUET
The annual spring banquet of the Adams County PSEA branch will be held April 28 at 6:30 p.m. at the Rolling Acres Elementary School at Littlestown. It was decided Monday afternoon at a meeting of the executive council of the county branch, Frank Basenar was named as general chairman for the banquet, President Robert Reindollar said.

COMMISSIONERS ASKING BIDS ON HEATING PLANT

Bids for construction of the new boiler house and central heating plant at the county home will be opened by the County Commissioners about the middle of April, the commissioners decided at their meeting this morning.

The date will be decided later today following study of the statutes pertaining to advertising for bids. The first advertisements will be published this week.

Construction of the 23x25-foot concrete block and brick central boiler house at the county home and the installation of the required changes in the heating systems of the buildings will be completed "long before fall," Alfred Hamme, York, architect for the commissioners, told them this morning.

To Replace Furnaces, Stoves
The central oil-burning boiler will provide heat for all of the structures at the county home, will provide hot water for all buildings and be set up to also supply the new laundry and slaughter house that are on future plans for development of the home. The laundry probably will be built in another year, with the commissioners planning to develop year by year according to a plan approved some months ago in order that the work may progress without putting the county into debt by making all of the changes at one time.

In all but one of the buildings the heat from the central heating plant will simply replace the present furnaces, with other installations, radiators, pipes, etc., used as before. In the men's building where a hot air "pipeless" furnace provides the heat, the entire system will be changed with baseboard radiation used.

The new system will replace all of the furnaces, some of them 47 years old, now in use at the county home. The commissioners said the present old furnaces are "just about worn out." Also replaced will be

The American National Red Cross
Adams County Chapter
Gettysburg, Pennsylvania

A check for \$100 from President and Mrs. Eisenhower for the 1954 fund campaign of the Adams County Chapter of the Red Cross was received Tuesday afternoon from the White House by Campaign Chairman N. A. Meligakes. The above letter accompanied the check.

The check, signed by Mamie D. Eisenhower, was dated March 19 and was drawn on the Riggs National Bank. It duplicates a donation made a year ago by the President and his wife to the 1953 fund drive. Chairman Meligakes said this year's donation was unsolicited.

In 1953 the \$100 from the Eisenhowers launched the C-Noters' Club here that enrolled donors of \$100 to the Red Cross drive and helped put the campaign over its \$14,000 goal.

Ike Says Hydrogen Blast "Astonished Scientists"

WASHINGTON (AP) — President Eisenhower told his news conference today that something must have happened at the recent hydrogen explosion in the Pacific which surprised and astonished scientists.

A reporter told Eisenhower at his news conference that anti-American newspapers in Japan and elsewhere were making much of the incident in which Japanese fishermen 75 miles away from the Pacific blast March 1 were reported to have been possible victims of contamination.

Something must have happened, the President commented, that surprised and astonished the scientists.

Eisenhower said Adm. Lewis Strauss, chairman of the Atomic Energy Commission, has not yet returned to report on the explosion. But the President said that from

MISS SCHARF IS NEW EDITOR OF MAROON-WHITE

Miss Elise Scharf today was announced as the new editor of the Maroon and White, Gettysburg High School publication, thus becoming the third member of the Scharf family to fill that post.

Her father, Henry M. Scharf, manager of the Hotel Gettysburg,

MISS ELISE SCHARF

was the second editor of the high school publication, having been elected in 1921. Her uncle, George A. Scharf, was the fourth editor, serving in 1923. Miss Scharf is the 36th student to be elected editor of the school paper.

Miss Scharf is the first "second generation" editor. She is the first child of a former editor to also become editor of the publication.

There have been instances, however, of brothers becoming editors of the paper.

SHIPPENSBURG ALUMNI ELECT LLOYD HARTMAN

Lloyd R. Hartman, Liberty St., principal at the Meade School building here, was elected president of the Adams County Chapter of the Shippensburg State Teachers College Alumni at a banquet meeting Tuesday evening in the Lutheran parish house at Fairfield.

Miss Burnele Deardorff, Cash-town, was elected secretary-treasurer and it was decided to appoint an alumni member in each jointure in the county to promote the interests of the chapter. Meetings of Shippensburg alumni will be held in each jointure and will be planned in alphabetical order.

Sixty-five attended Tuesday's affair with George B. Inskip, supervising principal of the Fairfield jointure, presiding.

Proxy Speaks
Dr. Harry Kriner, president of the college at Shippensburg, spoke on the need for teachers in the years ahead and of Shippensburg's role in the preparation of teachers to fill that need. Dr. Earl Wright, dean of instruction, and Prof. George Reisinger, head of the English department at the college, were banquet guests.

During the banquet Lou Ann Zentz of Fairfield High School entertained with piano selections and this group of students sang with Mrs. Dorothy Barley, music instructor, at the piano; Margaret Johnson, Jean Sites, Mary Louise Kime, Lou Ann Zentz, Nina Shank, Nancy Weikert, Robert Anderson, Richard Bowser, and Rodney Warren. Their selections included "Drink to Me Only with Thine Eyes," "I Love a Parade" and "Purple Hills."

The banquet was served by the Elia M. Glenn Bible Class of the Lutheran Church.

Park Storage Shed Is Offered For Sale

The Gettysburg National Park office has announced it is receiving bids for the sale of a storage shed measuring 21 by 46 feet at the former CCC camp site in Pitzer's Woods along W. Confederate Ave. Bids will be opened April 8 at the park office.

Dr. J. Walter Coleman, park superintendent, said the building no longer is needed for storage purposes by the Park Service.

89 KITS SENT TO KOREANS BY GIRL SCOUTS

Eighty-nine kits, made by the Girl Scouts of Adams County for the children of Korea, were shipped today to New York on the first leg of their overseas journey.

The kits include a small pocket comb, toilet and laundry soap, tooth brush, tooth paste, safety pin, needle and thread, three yards of elastic, a hand towel, wash cloth and hair ribbon.

The articles are placed in colored draw string bags made by the Girl Scouts.

Decision to send the kit bags to the Korean youngsters, as a national Girl Scout project, was brought about by the arrival in the United States of representatives of the Korean Girl Scouts. They were asked what the girls there needed, and the articles placed in the kit bags are the ones listed by the Koreans as the greatest needs other than clothing.

One Troop Makes 17
The 89 kit bags made locally were sent to the American-Korean Foundation, at Maspeth, N. Y. The American Relief to Korea organization has agreed to ship them overseas.

For most of the troops of the county, each patrol had one kit bag as its project. Troop 21 of Gettysburg, led by Mrs. Donald Fair, made 17 of the kit bags. The troop has 28 members.

Mrs. Hardy Nichols, Girl Scout secretary, said the gifts "will show not only that the American Girl Scouts wish to help the Koreans but it will also show the friendly feeling of the Adams County Girl Scouts to the children of Korea."

Roger Fickinger, Gettysburg, was first in the bag race with Roger Hawbaker, James Buchanan, second, and Samuel Crider, Pannet-Metal third.

First in the pushups contest was Webb Lehman, Washington Twp., who completed 60; Robert Grover, East Berlin, was second with 50, and Richard Shealer, Gettysburg, and Roy Fuss New Oxford, tied for third with 35 each. In the three-legged race all three places went to Franklin County students.

Other Events
Robert Maus, Biglerville, was first in foul shooting; Edward Spence, Fairfield, second, and Robert Kershner, Greencastle, third. In the chinning event P. Seifert, East Berlin, was first, Clyde Bricker, James Buchanan second, Larry Newell, Fairfield, third.

Richard Shealer, Gettysburg, won first honors in rope-climbing by clambering up a rope from the floor to the roof of the gymnasium in seven seconds. Rex Brough, York Springs was second with a record of eight seconds for the climb. Larry Newell, Fairfield and Richard Claybaugh, East Berlin, were tied for third, each taking nine seconds for the climb.

Richard Lemaster, James Buchanan, was first in the bean race. Leo Kint, Fairfield, second, and Lee Knepper, Chambersburg, third. In the potato race, Glena Rex, Biglerville, was first, Richard Bigham, Fairfield, second and Harold Johnson, Pannet-Metal, third.

In the wheelbarrow race Green-castle and James Buchanan entries won first and second place, third went to the Fairfield team, Paul Hobbs and James Gladhill.

SAYS AIR SLASH WAS "BLUNDER"

WASHINGTON (AP)—Rep. Yorty (D-Calif.) said today the Eisenhower administration made a "serious blunder" in cutting U.S. air power and that it has "tried to hide its errors" by coming up with a "new look" concept in national defense.

Yorty unloaded an attack on administration air policy in a speech prepared for a national aircraft conference sponsored by the CIO United Auto Workers.

"Air power is not the plaything of the party in power," he said. "It can only be built up over a period of years through nonpartisan support."

In this connection, Yorty called for a bipartisan military policy and "a really bold new program for national security in the air age."

The Californian said the new program "will eventually provide about the same combat airpower for which the Democrats were arguing a year ago," but that meanwhile the administration "has lost two years' time which they can't make up and wasted a considerable amount of money."

Yorty was one of those who sharply criticized the Eisenhower administration last year for trimming Truman administration budget requests for Air Force spending by about five billion dollars.

Welfare program. It administrators control over 120 children, including 80 who have been placed in foster homes.

She praised the county commissioners whose tax assessments are the chief financial support of the association. "Recently," she said, "the state has felt that local units should carry a greater paying proportion for local welfare service. As a result, the Federal government has steadily cut its welfare appropriations."

Want Happy Homes

Miss Livermore disclosed that the first thing an investigator looks for in the selection of a foster home for a young child is "two parents, happily married, who have an abundance of patience and love for children."

She said the agency acts as an adoption service as well as a referral organization which places retarded and physically handicapped children in state institutions.

"The adoption ratio in Adams County is normal in relation to the rest of the United States," Miss Livermore said. "In Adams County there are ten families for every child seeking adoption."

"A foster home is a normal home shared by a family for a limited period with a child not their own. It is sharing not only a house and food, but also the values of a good family life," she added.

The Welfare Association director listed the four directions in which the Child Welfare agency extends its service:

"For the child: Foster home care including medical, psychological, and dental care.

"For parents: Help with plans for care of their children when misfortune interrupts their normal life or help with plans for a child having unusual needs.

"For interested citizens: A chance to do a fine community service by taking children into their homes and an opportunity to earn a small amount of money in their own homes.

"For the County Commissioners and the court: Performs the duty of child placement and care formerly performed by the Poor Directors and by agencies outside the county."

Donald Peters announced that Saturday afternoon, starting at 1 o'clock, a lot at Fourth St., between Hanover and Yorks Sts., will be cleared as a site for a second Exchange-sponsored "Kiddies Play Lot." He asked that all members and parents be there to assist.

The club will join with other service clubs in a joint meeting, May 10. An address by Judge W. C. Sheely, March 30, will feature the local observance of National Founders Week by the Gettysburg Exchange Club.

COMMISSIONERS

bucket-a-day stoves now used to provide hot water for the buildings at the county home.

To Save On Insurance

The commissioners were told this morning that the change in the heating system and removal of the furnaces and bucket-a-day stoves from the buildings will bring about a revision in the insurance on the buildings, lowering the annual rate of payment.

The new structure will be located west of the present men's building. A 10,000-gallon tank will supply the oil burning furnace. Commissioners' Clerk Clarence C. Smith was missing from his usual post this morning, because of his mother's death. Clerk Ray Snyder took over the duties. The two commissioners present, G. Ed. Taughnbaugh and Karl J. Smith, made plans to visit this evening with the president of the board of commissioners, Clark Petters, still confined to his Menallen Twp. home by a slight stroke.

Stockholders Vote Nash-Hudson Merger

BALTIMORE (AP)—Owners of almost 75 per cent of the stock in Nash-Kelvinator Corp. voted today to merge with Hudson Motor Car Co. and become American Motors Corp.

Hudson stockholders had the same question before them in Detroit today.

Directors of the two companies still may abandon the merger any time within the next month—particularly if dissatisfied Hudson shareholders demand payment for their stock in cash.

Management went into the Nash-Kelvinator special meeting here with more than enough proxy votes for the two-thirds necessary to approve the merger and the final count was 3,277,754 shares for and 238,115 against. There were 3,515,869 shares represented at the meeting, only 335 in person.

AWARD DAMAGES

NORRISTOWN, Pa. (AP)—A Montgomery County jury today awarded \$11,115 to 31 persons who sued the American Chemical Paint Co. for damage to their gardens and annoyance caused by fumes from the factory.

Eleven other residents of the area who had joined in the suit were denied damages. The plant is in Lower Gwynedd Township, near Ambler.

HARRISBURG (AP)—The Public Utility Commission yesterday authorized the Hershey Bell Telephone Co. to increase telephone booth charges from 5 to 10 cents effective May 1.

Hotel Employee Is Jailed For Arson

HARRISBURG (AP)—A former hotel handy man is under a 1½ to 3 year penitentiary sentence today on a charge of setting fire to a mattress in a downtown hotel here last December.

Curtis S. Roehm, 34, was sentenced yesterday in Dauphin County Court by Judge Walter R. Sohn on an arson conviction. Asst. Dist. Atty. W. Hamlin Neely said Roehm set fire to a mattress in a third-floor room of the hotel to gain "revenge" for being discharged from the hotel employ.

Neely said the fire caused an estimated \$850 damages and endangered 95 guests in the building at the time.

Roehm told the court he had accidentally dropped a lighted cigarette while resting on a bed.

Pittsburgh Store Strike Is Settled

PITTSBURGH (AP)—Four major furniture stores today agreed to an 8½ cent hourly wage increase for truck drivers of the AFL General Teamsters Union, ending a 114-day-old strike.

The wage increase is the same agreed upon by the Hahn Furniture Co. a day earlier. The new agreement affects Spears, Reuben, Ohlinger and May-Stern Co. stores.

Sears Roebuck, also involved in the strike, has a contract with an outside delivery firm. They are expected to follow whatever pattern is set up by the others.

40 Members Of School Patrols Guests Of Littlestown Rotary

Approximately 40 members of the patrols of the Rolling Acres Elementary School and St. Aloysius Parochial School were the guests of the Littlestown Rotary Club at the meeting of the club Tuesday evening at Schottie's Hotel. A program followed the roast beef dinner.

Paul E. King, acting chairman of the community service committee, presided. The captains of both patrols introduced their lieutenants and other patrol members. Littlestown Chief of Police Charles R. Everhart Jr. was in attendance and told the Rotarians of the fine work done by the patrols. Rotarian Frank E. Basehoar, administrative assistant of the Littlestown Jointure, spoke concerning the work of the monitors on the school buses. The program also included several reels of film shown by Larry Worley, local school student.

The Rev. Frank E. Reynolds offered the invocation and introduced the following visiting Rotarians: Hugh M. McIlwain, Bethlehem; David L. Bonsak, W. Franklin Sumner and Charles W. Havens, Westminster. Preston L. Myers, president, announced that the club stood fourth in the district attendance for the month of February, with an average of 94.89. The international service committee, composed of Frank E. Basehoar, chairman, William V. Sneeinger, P. Emory Weaver, Albert J. Bair, A. W. Schott, Theron W. Spangler and the Rev. David S. Kammerer will be in charge of the program for the meeting next Tuesday, 6:15 p.m.

Catholic Women Meet Tonight
The March meeting of St. Aloysius Parish Council of Catholic Women will be held this evening instead of March 21. The group will meet following the church Lenten devotions, at about 8:30 p.m., in the recreation room of the parochial school.

Jr. Fellowship Meets
Fifteen members and one visitor attended the meeting of the Junior Fellowship of Centenary Methodist Church, Monday evening at the church with Shirley Hedges as junior leader. Janet Hedges read Psalm 24 as the Scripture lesson and Albert Miller III offered prayer. An Easter meditation was given by Phyllis Rime. Barbe Miller was piano accompanist for group singing.

The boys and girls discussed the subject "Jesus, The Master" under the guidance of Mrs. Albert H. Miller Jr., adult supervisor. The teen-agers

SELECT STAFF RECRUITER FOR CAMP LITTLE

Mrs. Charles E. Rabenstein was named staff recruiter for Camp Little at the March meeting of the Littlestown Girl Scout Troop Committee, troop leaders and their assistants, held on Monday evening in the fire engine house. The annual day camp for the local Girl Scouts and Brownies will be held the week of June 21. The site for Camp Little will be St. John's woods, near town. The camp personnel and the daily program will be announced later.

Mrs. Carroll E. Arter accepted the temporary presidency of the troop committee on Monday. She presented five-year pins to Mrs. John E. Stambaugh and Mrs. William H. Marshman, committee members of Troop No. 15, who have been affiliated with local Girl Scout work for five years. It was announced that there are 157 girls active in scouting in Littlestown and 111 of these girls attended the annual Juliette Low rally and play-day in Gettysburg on March 13. Mrs. John E. Stambaugh, retiring president, appointed Mrs. Clayton L. Evans as chairman for the meeting of Brownie leaders and assistants to discuss plans for the annual Brownie trip. Reorganization took place and Mrs. Carl H. Baumgardner will be vice president; Mrs. Walter Morelock Jr., secretary and Mrs. Wilbur A. Banker, treasurer.

The drive for old rags and papers conducted by the Scouts, through the north end of town, last Saturday was reported as being successful. The girls will again collect on Saturday, March 27, from 7:30 to 11 a.m. through the central part of the community. Papers may be left on the street curb or the Scouts will call for them and carry them from basements, if wished. It was announced that the weekend outdoor training course to be given at Camp Conewago will be held April 3. The Adams County Girl Scout leaders Club will meet at Camp Conewago on Saturday, April 3, 2 p.m.

Kits For Korea
The Girl Scouts have been busy making kits for Korea. Each kit was a drawstring bag containing a pocket comb, wash cloth, soap, towel, elastic, pins, needle and thread, hair ribbon, toothbrush and toothpaste. SEEK SERVICE FOR MIGRANTS

HARRISBURG (P)—The Pennsylvania Council of Churches yesterday reported that more than half of the 12,000 migrant workers in Pennsylvania last year were "not served effectively" by churches in the state.

"We need to explore the possibility of expanding our program into additional areas when the time seems proper to do so," said Donald W. Schlicher, council supervisor of migrants.

Schlicher made his report to a council conference attended by nearly a hundred church leaders.

Schlicher also said that a continuing shortage of equipment "plagues" the program to administer to the spiritual needs of migrant workers.

"We hope that by buying with care and in larger quantities and by making more adequate arrangements with local committees we can alleviate this shortage," he added.

Committee will be held Monday, April 26, 8 p.m., at the engine house. The semi-monthly Lenten service will be held in St. Luke's Reformed Church, near White Hall, on Thursday evening at 7:30 o'clock.

Bible Class To Meet
Mrs. Cleason Plunkert, E. King St., will be hostess to the Starr Bible class of St. Paul's Lutheran Church for the March meeting on Thursday at 7:45 p.m. Assisting Mrs. Plunkert on the hostess committee will be Mrs. William Feeser, Mrs. Edna Fortney, and Mrs. George Crabbs.

A surprise party was held on Friday evening at the home of Mr. and Mrs. Melvin B. Wehler, near town, in honor of their son and daughter-in-law, Mr. and Mrs. James M. Wehler, who arrived last Tuesday from Anchorage, Alaska. A social evening was enjoyed and refreshments were served. Those present in addition to Mr. and Mrs. James Wehler and Mr. and Mrs. Melvin Wehler were Mrs. Jennie Wehler, Mr. and Mrs. George Conover, Mr. and Mrs. Emory Gift, Mr. and Mrs. Charles Slusser, Mr. and Mrs. Walter Myers, Mr. and Mrs. Robert Gift, Mrs. Emmanuel Nester, Mrs. Harold Noble, Mrs. Walter Morelock Sr. and Mrs. Aaron Rohrbach, all of in or near town; Mrs. George I. Bemiller and daughter, Sandra, Silver Run; Mr. and Mrs. Samuel Conover and son, George, Westminster, and Miss JoAnn Wehler, New Holland.

James Wehler was recently discharged from the U. S. Air Force after serving a three and one-half year enlistment and two years of this time were spent in Alaska. Mr. Wehler and his wife made the 7,000-mile trip from Anchorage to Littlestown by automobile.

The Young Men's Sunday School Class of Redeemer's Reformed Church will not meet tonight as previously announced, but will meet on Wednesday, March 31, at 8:30 p.m. at the church.

WANTS REFORMS IN TRAINING OF DELINQUENTS

HARRISBURG (P)—Judge Leonard Michael Propper today called for "desperately needed reforms" in state training schools for juvenile delinquents.

"It may be said that there is a decided lack of an institution for the male defective delinquent under 15 years of age and for the female defective delinquent of all groups," he said.

In a speech prepared for a series of crime and delinquency sessions sponsored by the Pennsylvania Welfare Conference, the Philadelphia Municipal Court judge said there has been no clarification as to the responsibility of state and local authorities in providing needed facilities.

"A number of states have successfully operated forestry camps for the adolescent and young adult male offenders," the judge said. "Pennsylvania should speedily adopt a similar plan."

Unless adequate penal and correctional institutions are provided, he added, law enforcement must "necessarily break down."

Praises Devers Committee
Judge Propper praised the Devers Committee report which called

for a streamlining of the Pennsylvania prison setup. The 1953 Legislature followed through by establishing a corrections commissioner in the Justice Department.

"The setting up of diagnostic and classification centers should be encouraged," the jurist said. "within the framework of such a program, an offender is not sentenced by the court to a specific penal or correctional institution."

"But rather," he added, "the defendant is assigned to the institution that can offer the most suitable treatment for the individual offender, only after he has been studied at the diagnostic and classification center."

Judge Propper urged that law enforcement be stiffened in sanitation and housing, fair employment practices, compulsory school attendance and child labor protection, particularly in migrant labor camps.

Such enforcement, he said, would constitute "an important factor in delinquency and crime prevention."

ARREST WOMAN IN YORK CRASH

YORK, Pa. (P)—State police said today a York County woman was apprehended in connection with a bus crash last Friday near here which resulted in slight injury to several persons.

Sgt. A. J. Swalinski identified the woman as Mrs. Helen P. Appel, about 53, of Sinking Springs, York R. D. 5.

Mrs. Appel, Swalinski said, was charged before Alderman H. Gilard Fickes, York, with failing to stop at the scene of an accident, failing to render assistance and failure to disclose identity. Bail was set at \$500.

The state trooper said Mrs. Appel will be given a hearing April 2 on the charges.

Swalinski said the car was traced by police through laboratory comparison of paint particles found at the scene of the accident and the paint of the car. The car, police said, belongs to Ben Lauria, of York.

The crash occurred on Rt. 111, about two miles from York.

for a streamlining of the Pennsylvania prison setup. The 1953 Legislature followed through by establishing a corrections commissioner in the Justice Department.

"The setting up of diagnostic and classification centers should be encouraged," the jurist said. "within the framework of such a program, an offender is not sentenced by the court to a specific penal or correctional institution."

"But rather," he added, "the defendant is assigned to the institution that can offer the most suitable treatment for the individual offender, only after he has been studied at the diagnostic and classification center."

Judge Propper urged that law enforcement be stiffened in sanitation and housing, fair employment practices, compulsory school attendance and child labor protection, particularly in migrant labor camps.

Such enforcement, he said, would constitute "an important factor in delinquency and crime prevention."

OPPOSE SCHOOL FOR MIGRANTS

BLOOMSBURG, Pa. (P)—About 150 Bloomsburg residents attended a two-hour school board meeting here last night to discuss a controversial question regarding establishment of a summer day camp for children of migrant field workers in this area.

A Bloomsburg school building, no longer in regular use, has been leased by the school board to the Pennsylvania Committee for Migrant Labor as the site of the proposed day school.

The move brought protests from many residents who contend such use of the school will reduce property values and that better sites are available near two migrant labor camps in the Bloomsburg area.

Under the proposed plan, the school would be operated by the Friends Society on private funds and small fees paid by the migrant workers. The school would provide daytime care of children—from infancy to the age of 10, or 11.

Air Both Sides
Last night's meeting was called to aid both sides of the controversy. The school board said it will review its action on leasing the school building at a meeting April 12.

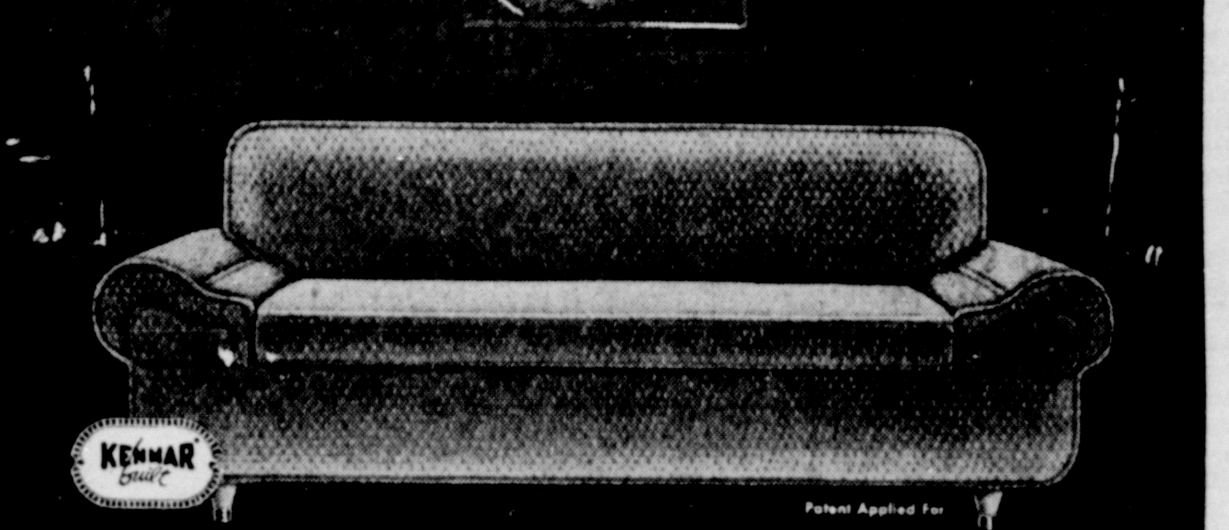

Those who spoke in favor of the plan took the position it is an opportunity to do something for children who need attention and care.

The general plan was outlined by Mrs. Lois Garvin of Lewisburg, a member of the Pennsylvania Committee for Migrant Laborers. She said it was hoped the Bloomsburg site would be a pilot center where residents in other parts of the state with similar situations could see how it operates and establish others.

HE'S LITTLE BUT —
HARTFORD, Conn. (P)—With one punch, Louis R. Frati broke Edward Dusa's jaw. Superior Court Judge Abraham S. Borden, ordering Frati to pay Dusa \$7,000 damages, said: "The defendant only weighs 135 pounds, but he must have a powerful fist."

Farm Nets \$6,051 To Willis
Stern: Six thousand fifty-one
dollars was realized from the farm
sale of Willis P. Stern near Table
Rock, Saturday. This is one of the
largest sales held in this county
in years.

A cow brought \$150 and four other
bovines netted \$140 each. A sow and
several pigs brought \$62 each and
sheep were sold at \$20 each. A
tractor was sold for \$625.

Odd Fellows Hold Social Function:
One hundred and twenty per-

CONTINUITY
Rivers have always fascinated
me. Their origin is perhaps no
more than a bubbling spring, and
then a small brook, and finally a
great river, flowing into the arms
of the waiting ocean. A perfect
example of continuity, for the pro-
cess is repeated over and over
again, what with rains, snows,
and a little aid by thoughtful and
interested men.

The river examples this brief
earthly life of ours, as well. I have
not room to quote that beautiful
poem, "The River," written by the
late William Randolph Hearst, but
I am sure it has been treasured
by many, as it has been by me.
He contributed it in one of his
newspaper columns, "In the
News," February 25, 1941. I will
quote but a few lines:

And so at last
When our life has passed
And the river has run its course,
It again goes back,
O'er the selfsame track,
To the mountain which was its
source.

Continuity spreads its seeds of
immortality all through nature and
all life. There is a divine purpose
running through all creation, be
it bird, animal, butterfly, or man.
It cannot be that God would sniff
it all out after so brief an exist-
ence. Everything is refined and
purified that flows through the
veins of Nature. In God's diary
it's all written down and the rec-
ord never obliterated.

If there was not continuity to
the universe, we would know the
exact age of the stars, but no one
has ever been wise enough even
to risk a guess!

INDULGENCE
My judgment wisely counseled
"no" and yet he pleaded with
me so

I bought the candy that he asked
and let him eat his fill.
Indulging thus his childish whim,
endeavoring to be good to him,
That night I learned my foolish
love had made him very ill.

Who would be kind must first be
wise. In childish pleas much
danger lies.

They cannot know and understand
what older minds have learned.
Who, too, to please a boy's desire,
permits the lad to play with
fire.

Shall find that what he thought
was love has caused him to be
burned.

Indulgence is disaster's tool. It is
the maker of a fool.
It brings to sorrow, grief and pain
the youth it seeks to please.
Who hold his child in high regard,
must answer "no," however
hard,
And now and then deny to him
what he could give with ease.

Love prompts us all to gratify the
whims that wisdom would
deny.
And it is easier far to give than to
refuse the joy.
But sorrow, hurt and shame and
pain all follow the indulgent
train.

Though "no" is harder for the
man, 'tis better for the boy.

CONGRESS HAS BEEN MOVING AT SNAIL'S PACE

By JAMES MARLOW

WASHINGTON (P)—President
Eisenhower months ago expressed
hope the main issue in Novem-
ber's congressional elections would
not be fear of Communists infil-
trating the government but the
program of his administration.

So far this year his Republican-
run Congress has hit a snail's pace
in approving that program. Not a
single major item in Eisenhower's
program has been enacted into
law yet.

Others Have Dawdled
Other Congresses have dawdled
in the early months of the year,
picked up speed later, and got a
lot of lawmaking done before going
home. Some didn't. Maybe this one
will chalk up solid achievements
before quitting.

If it doesn't, then the November
issue, for want of something bet-
ter, may have to be Communists
in government, which is what Sen.
McCarthy (R-Wis.) also months ago
predicted it would be. Or it could
be Congress' failure to give Eisen-
hower the legislation he asked for.

There have been publicly ex-
pressed complaints that the gen-
eral interest in McCarthy's fight
with Army officials has distracted
public attention from vital work of
Congress and may have distracted
the lawmakers too.

Can't Blame McCarthy
But McCarthy and his problems
at best can occupy only a very
small piece of Congress' time. If
Congress hasn't accomplished
much so far it can't be blamed
on McCarthy.

The lawmakers want to clear out
of here by July or August so they
can go home to campaign for re-
election. All 435 House seats are
at stake in November, and 35 of
the Senate's 96 seats.

That gives Congress about four
to five months to get down to cases
and make a reality of the program
on which Eisenhower says the vot-
ers should judge the worth of his
Republican administration.

Five Weeks Of Debate
The Senate used up about five
weeks of its time debating the con-
stitutional amendments—before re-
jecting them—of Sen. Bricker (R-
Ohio) and George (D-Ga.). The
amendments would have restricted
the President's power to make
executive agreements with other
nations and in some cases limited

NEGRO IS GIVEN DEATH SENTENCE

FLORENCE, S. C. (P)—A 38-year-
old Negro escaped convict was sen-
tenced yesterday to death in the
electric chair for the murder of a
youth whose body was found in a
well with the severed head of his
young girl friend.

An all-white jury was out 1½
hours before finding Raymond Car-
ney guilty. At the end of the one-
day trial, State Circuit Judge Steve
C. Griffith set the execution May 7.
Police said Carney admitted the
double slaying of H. B. Allen, 22,
of Latta, and Betty Clair Cain, a
pretty 15-year-old schoolgirl, near
Pamplico. The couple disappeared
while on a date Dec. 6.

The girl's headless body was
found the following day. Two days
later, Allen's body was found in a
well three miles away. With it was
the girl's head, wrapped in a coat.

The House has approved the ad-
ministration's program to cut al-
most 1½ billion dollars in taxes
for many individuals and busi-
nesses. But the Senate hasn't vot-
ed, and won't for weeks. Even then
the outcome is uncertain.

The Senate approved the St.

CIO WANTS U. S. TO STAY OUT OF ANTI-RED FIGHT

NEW YORK (P)—The CIO Execu-
tive Board wants the government
to stay out of the fight against
possible Communist influence in
labor unions.

Proposed laws for government
screening to catch any Commu-
nists in unions would "certainly
not help" the CIO's own fight
against Communists, the board de-
clared yesterday in a statement
at the close of its quarterly
meeting.

CIO President Walter P. Reu-
ther later told a news conference
"there is no magic formula" for
getting rid of Communist elements.
"You've got to outwork them, out-
fight them and outvote them," he
said.

"Government Licensing"
The board said all proposed
bills would require "government
licensing of trade unions." It con-
tinued:

"We do not believe that the free
trade union movement can exist
under government licensing of uni-
ons any more than political free-
dom can exist under government
licensing of political parties."

These proposed laws, the board
added, would mean the end of the
free trade union movement in
America.

Opposes 30-Hour Week
In his news conference Reuther
opposed the 30-hour week sought
by some CIO unions as a way to
ease national unemployment.

A cut in the basic 40-hour week
would simply mean "sharing the
scarcity," the CIO president stated.
He said the country's real need is
for more purchasing power, not
more leisure.

The 46-member Executive Board
warned of a possible "full-blown
depression."

Urges Public Works
"In face of present unemploy-
ment and declining production the
Washington do-nothing, look-the-
other-way policy is both dangerous
and disgraceful," it said.

A program endorsed by the
board to stimulate the economy
proposed:

Boosting personal income tax ex-
emptions from \$600 to \$800 this
year, and to \$1,000 next year;
raising the federal minimum wage
from 75 cents to \$1.25 an hour,
enlarging the federal housing pro-
gram, and starting a vast public
works program.

Canner Cage Squads, Parents, Friends, Feted By Athletic Association; Forney Speaker

A total of 210 persons, including parents, faculty members, friends and the 96 boys and girls who participated in the complete basketball program during the past season at Biglerville High School and Junior High School, were guests at a dinner Tuesday evening given by the Biglerville Athletic Association at the Bendersville school cafeteria. It was the largest attended of the series of dinners given by the association.

George Forney, athletic director and basketball coach at Gettysburg High School and a former Biglerville coach, was the guest speaker.

After a short reminiscence of happenings during his tenure as Biglerville coach, Forney said one of the greatest satisfactions to an athlete should be a satisfactory self-evaluation on one's ability. It is important that an athlete, after undergoing training, may complete his assignment with the feeling that he has done a good job, he added.

The speaker congratulated the parents for their participation in athletics through their children. He pointed out the interest of parents and friends in the athletic endeavors of the youngsters has a great deal to do with the ultimate performance of the individuals, the more the interest and encouragement, the better the job is done.

Arthur M. Gordon, athletic director at Biglerville, presided as toastmaster.

The invocation was given by the Rev. Nevin R. Frantz, Arendtsville.

Members of the girls' varsity squad were introduced by Miss Rosa Rapp, coach; boys' varsity squad by Coach Richard Allison; jayvee squad by Coach Frank Soloski, and Junior High squad by Coach William Corradi.

The dinner was prepared and served by the cafeteria staffs of the Bendersville and Arendtsville units.

SITUATION IN ISRAEL TENSE

JERUSALEM, Israel Section (P) — Premier Moshe Sharett told Parliament today the tense situation along Israel's borders "now calls for the utmost preparedness and the strengthening of Israel's defense."

He announced Israel was asking the United States, Britain and France to bring before the United Nations Security Council the Negev bus incident in which 11 Jews were killed by machinegunners a week ago.

Israel blamed the killings on Jordan and walked out of the Israeli-Jordan Mixed Armistice Commission yesterday after the U. N. sponsored body failed to adopt an Israeli resolution to that effect.

Circulate False Report
Sharett said Israel's ambassadors in the capitals of the Western Big Three Powers had been instructed to inform those governments of the latest developments in the Israeli-Jordan dispute and suggest that the Big Three bring up the matter before the Security Council.

Sharett said a false report had been circulated "by one of our neighbors that Israel was massing troops, while in fact this country is massing its own troops along the Israeli borders."

An Israeli military spokesman announced this morning that Syria had moved up an infantry brigade to strengthen her forces on the border.

PANG RECEIVES TRAINED PILOTS

INDIANTOWN GAP, Pa. (P) — The Pennsylvania Air National Guard reported today that it has received 10 guardsman pilots trained in flying by the U. S. Air Force.

"We're anxious to get all the guardsman aviation cadets we can," said Col. Robert C. Boden, deputy adjutant general for air.

The cadets are drawn from, or recruited through, the ranks of the Pennsylvania Air National Guard under the Air Force's new plan of training pilots.

The importance of training new pilots is pointed up, Boden said, by the fact that fliers of World War II and even Korean War veterans now are getting older.

"Our pilots will average about 32 years of age by the time we begin receiving men in quantity from the Air Force-Guard pilot training program," he said.

Air Guard ranks throughout Pennsylvania now total about 3,000 men, Boden reported. Some units in the Philadelphia and Pittsburgh areas are not up to full strength, he said.

EXCISE SLASH COMING UP IN SENATE TODAY

By JOE HALL
WASHINGTON (P) — The Senate takes up today a bill to slash excise taxes by almost a billion dollars yearly, with the administration facing a fight to prevent further cuts in revenue.

Both Sen. Millikin (R-Colo.), floor manager for the measure, and Majority Leader Knowland (R-Calif.) predicted the bill would go through without any substantial change.

But, unlike the House, the Senate considers tax legislation under procedure that permits amendments to be offered freely.

First Action By Friday
Thus industries which would get no tax relief in the excise measure as presented to the House by its Ways and Means Committee will have their first new opportunity to seek cuts in the Senate.

The Senate leadership hopes to get final action on the bill by Friday. The measure then will have to go to conference with the House to iron out differences. The sales tax changes would take effect a week from tomorrow.

Attempts will be made in the Senate to knock out the excise cuts in the bill as well as to add new reductions.

Douglas Amendments
But the major administration challenge appears to come from Sen. Douglas (D-Ill.) which would cut the automobile excise tax from 10 to 7 per cent; eliminate the 10 per cent levy on a wide range of household appliances including refrigerators, stoves, freezers, ironers, dryers, dish washers and toasters; and cut the tax on television and radio sets and phonographs from 10 to 5 per cent.

These proposals would boost the tax reductions in the bill by about \$30 million dollars. As passed by the House, the bill cut about 25 excises by \$12 million dollars. The Senate Finance Committee, which Millikin heads, eliminated a few of the House cuts but added others of its own so that the total revenue loss would be \$58 million a year.

The bill would also extend for a year beyond April 1 a series of major excise increases voted in 1951 after the Korean War began. Items affected include autos, trucks, cigarettes, liquor, wine, beer and gasoline.

2 Daughters

Earl Forry, James McClellan, M. J. McSherry and Mrs. Florence B. Dietz, all of Gettysburg, 100 shares each.

A \$1,000 trust fund is established by the Evergreen Cemetery Association with the income to be used for the upkeep of Mr. Funkhouser's mausoleum and lots in the cemetery.

Trusts For Grandchildren
There is a \$1,000 trust fund for each of Mr. Funkhouser's grandchildren, John Roy Millard and Gary L. Millard. A diamond ring also goes to the former and a diamond stick pin to the latter boy.

Household goods, furnishings and personal effects are to be divided amicably between the two daughters, Mrs. Millard and Anna Mary Small, within 60 days.

Mr. Funkhouser also created an Anna Mary Small Trust Estate and a Ruth Virginia Millard Trust Estate and gave to each "one-half of all my remaining shares of stock of any corporation" remaining after the special bequests.

In the establishment of most of the trust funds the First National Bank of Gettysburg and a brother of the deceased, Elmer N. Funkhouser, Hagerstown, are named as the trustees.

Mr. Funkhouser provided in his will that Attorney Franklin R. Bigham, of Gettysburg, who filed the will Tuesday, be employed as "sole counsel and attorney in the settlement of my estate."

One of the last provisions in the will is that anyone contesting any of its provisions be barred from receiving any part of the estate.

The will was dated June 25, 1953. The application identified Mr. Funkhouser as a widower.

First Races April 4 At Williams Grove

WILLIAMS GROVE, Pa. — Plans for one of the most outstanding racing seasons since the opening of the half-mile Williams Grove Speedway in 1939, with the inaugural big car auto race under sanction of the AAA Contest Board scheduled for April 4, were announced by Owner Roy Richwine.

The varied 16-event racing season announced by Richwine will be highlighted by a number of races of national-wide importance, including the introduction of late-model stock car racing to the oval under sanction of NASCAR, recognized as a leader in this field.

The first Grand National Championship NASCAR Race ever staged at Williams Grove, a thrilling 100-mile event which will bring famous new drivers and new cars to the oval, will be presented on June 27. Another 100-mile NASCAR Grand Championship Race is slated for August 15.

Plan Special S. S. Convention In May

Recently a meeting of the Executive Committee of the Upper District Sunday School Association was held at the home of the president, Baird Knaub.

Plans were made for a four-session special convention to be held at Maytown, Warrington Township, Saturday afternoon and evening, Sunday morning and afternoon of May 15 and 16.

Mills Church has been suggested as the place of holding the annual convention of the association in the fall. The group chose "Building a Peaceful World with Christ" as the convention theme for this year.

Definite plans were made for the various features of the convention by the assembled committee members, who included: Sylvan Speck, Baird Knaub, Samuel McCluskie, Scott Dick, Charles Grove, Monroe Shearer, Harry Knaub, Richard Fleming, Charles Cline, Charles Miller and Glenn Snyder.

Little League Plans Launched On Monday

On Monday evening, a meeting of the Little League Baseball Club was held in the Community Building. Boys from Warrington, Monaghan, Carroll and Franklin Townships and Wellsville, Franklinton and Dillsburg boroughs were present.

Boys between the ages of 8 and 12 and who will not be 13 before August 1, 1954, are eligible. A movie on Little League Baseball was shown.

All boys who want to play will be teams and complete new baseball uniforms have been ordered. The boys are protected with complete insurance coverage from April 1 to September 15, at all practice sessions and games.

Managers of teams and fathers of boys are asked to bring rakes and shovels to the field Saturday to help finish the grading of the baseball diamond.

Scouters Pledge \$100 To Camp Development

Twelve members of the Girl Scout Neighborhood Committee attended a meeting recently at the home of Mrs. R. L. Krall, chairman. A donation of \$100 was pledged for Camp Echo Trail Development Fund.

Plans for a dance in the Community Building on April 30 were discussed. Proceeds from this event will be given toward the pledge. It was decided to sponsor a Noss picture early in October. Receipts will be used for the promotion and maintenance of the girl scouting program in Dillsburg.

Those attending the meeting were Mrs. Isaac Lehmer, Mrs. Blaine Leffer, Mrs. Leo Flander, Mrs. James Otto, Mrs. Glenn Myers, Mrs. Paul Millard, Mrs. Marshall Stevens, Mrs. George Gerneyer, Mrs. Cleo Kline, Mrs. Roy Krall, Miss Janice Crawford and Miss Analee Shillito.

The next meeting of the committee will be held April 26. The Monaghan township Girl Scouts will sponsor a skating party March 31, at 8 p.m. at Haar's Roller Rink.

Eastern Pennsylvania Cage Championship At Stake When Chambersburg, Chester Clash

By DICK HOENIG
HARRISBURG (P) — Chester and Chambersburg, each possessor of its first state basketball playoff victory in school history, tonight meet for the PIAA eastern Pennsylvania championship and a pass into the 1954 final.

Neither has ever been in the running for top regional honors although Chambersburg's District 3 standard bearer is playing in its fifth tournament. Chester dethroned 1953 state champ Yeadon two weeks ago for its initial District 1 crown and first try in the championship bracket.

The western title contest finds favored Farrell, District 7, taking a 16-game winning streak into its battle against once beaten Meadville. The District 10 representative has 12 victories in a row but its only loss was by 13 points to Farrell. Farrell has been beaten

Denies Mailing Obscene Letters
PHILADELPHIA (P) — Dr. Roy K. Marshall, who formerly simplified physics and astronomy for television audiences, has pleaded no defense to charges of sending obscene letters through the mails to five teen-age girls.

He entered his plea yesterday before Federal Dist. Judge Thomas J. Clary. He showed his only emotion—a frown—when charges from the indictment were read to a crowded courtroom.

Raymond A. Spelzer, Marshall's counsel, requested the court to order a psychiatric examination for the prominent astrophysicist. Spelzer said the plea of no defense was "tantamount to guilty."

Parents of the five girls said the letters were written by Marshall in answer to the girls' queries for help in high school science class problems.

SLUGGERS WILL MEET TONIGHT
MIAMI BEACH, Fla. (P) — Television fans who like their boxing bloody and brutal should get full satisfaction from tonight's 10-round fight between Charley Norkus and Danny Nardico, a pair of tough sluggers with the dispositions of angry bulls.

They staged an eight-knockdown brawl here Jan. 20. Norkus, an unranked 24-year-old heavyweight from Jersey City, came off the floor twice to win by a technical knockout in the ninth. Nardico was flattened six times.

Tonight's fight at the Miami Beach Auditorium will be televised nationally (CBS) starting at 10 p.m., EST.

Norkus will have a weight advantage of about 15 pounds over Nardico, the 27-year-old Tampa toughie who is ranked seventh among the light heavyweights.

Norkus has won 25 of his 36 fights, 17 by knockouts, but has fought only four 10-rounders. This will be his first appearance on television. Nardico's 63-fight career includes 48 victories, 34 by knockouts.

Announce Mac On Duty Again
HONG KONG (P) — Mao Tse-tung, Red China's top man, was reported back in circulation today after three months of absence from public life.

The Communist New China News Agency reported he presided yesterday over a meeting in Peking of the special government committee to draft a national constitution.

It was his first reported appearance since he attended the Dec. 29 meetings of the Government Administration Council.

His failure to attend the plenary session of the Chinese Communist party's Central Committee Feb. 6-10, one of the most important party confabs in five years, had set tongues wagging around the world.

At that meeting it was announced only that he was on a holiday.

His disappearance from public life touched off frequent reports that he was seriously ill. He is 60.

Jackie Gordon of the Cleveland Barons was the first player in the American Hockey League to score three goals in one game this season.

ROBERTS AND SIMMONS FAIL TO BEAT NATS

By RIP WATSON
Associated Press Sports Writer
As many a poker player has learned to his sorrow, the Philadelphia Phillies discovered yesterday that a pair of aces is good, but not always good enough.

In a day of sterling pitching performances throughout the Grapefruit League, the Phils sent Robin Roberts and Curt Simmons against Washington, but the Senators beat the Phillies' aces 3-2. That leaves Manager Steve O'Neill's club with a 5-12 spring record, and it looks as if they'll be in trouble this summer if they can't win with both Roberts and Simmons going for them.

The Senators, who had the fewest total bases of any American League club last year, put on a typical performance by slashing five straight singles against Roberts to tie the game at 2-2 in the fourth inning. Then they drove out three more singles for the winning run in the fifth. Simmons restricted Washington to a scratch single over the last three innings, but Bob Ross of the Senators matched his shutout pitching after relieving Bob Porterfield in the seventh.

Carl Erskine of the Brooklyn Dodgers, who did not pitch in a game until March 13, became the first major league hurler to go the full nine innings as he turned back the Philadelphia Athletics 10-2.

Catcher Roy Campanella led the Dodgers' 14-hit assault on two Philadelphia pitchers with a home run and two singles.

Rookie Tom Brewer, who isn't even on the Boston Red Sox roster but looks like a good prospect to replace, ran his string of scoreless innings to 17 with three good frames in the Sox' 2-0 victory over the Cincinnati Redlegs. Willard Nixon pitched the first six innings for the winners and also drove in the first run with a double.

Raschi Looks Good
Larry Jansen and Johnny Antonelli of the New York Giants also teamed up for a shutout, blanking the Chicago Cubs 5-0 in a game cut to 5½ innings because of rain. Each pitcher gave up one hit in three innings.

Vic Raschi, the St. Louis Cardinal \$75,000 purchase from the New York Yankees, made the deal look better and better as he turned in six scoreless innings in the Cards' 6-5 victory over Milwaukee. Raschi, who gave up three hits in four scoreless innings his first time out as a Cardinal March 10, scattered five Milwaukee singles this time.

The White Sox collected only eight hits to Detroit's 13, but outscored the Tigers 9-7 in the day's only free-hitting contest.

Kroll Has 3-Stroke Lead At Palm Beach

PALM BEACH, Fla. (P) — Tod Kroll of New Hartford, N.Y., had a 3-stroke lead today starting the last round of the \$10,000 36-hole Pro-Amateur Tournament at the Seminole Golf Club.

Shooting an eagle and four birds on the back nine, Kroll missed the competitive course record by one stroke in yesterday's first round with a 35-30-65.

Jim Ferrier of San Francisco and Lew Worsham of Oakmont, Pa., were tied for second in the individual pro standings at 68.

MARTIN LAUDS PENN STATE AND LASALLE CAGERS

WASHINGTON (P) — LaSalle College, Philadelphia, and Pennsylvania State University were congratulated by Sen. Martin (R-Pa.) yesterday for their achievements in the National Collegiate Athletic Assn. (NCAA) Basketball Tournament.

Martin told the Senate in a speech that LaSalle, first place winner, and Penn State, which came in third, "deserve the greatest commendation and congratulations for their clean-cut victories, attained with the highest degree of sportsmanship and brilliant play."

Ribs Westerners
He directed some gentle ribbing at his Midwestern and Western colleagues by observing that Penn State "defeated the best in the West" and came out third only because it was defeated by another Pennsylvania team, LaSalle.

"Neither team (Penn State or LaSalle) was defeated by a Western, or Midwestern team," Martin observed proudly.

Martin also mentioned that LaSalle has a student body of only 2,400, and that although Penn State has 12,000 students, it defeated larger universities during the tournament.

And, he said, "I cannot help but mention also that the two coaches, Ken Loeffler of LaSalle is a graduate of Penn State and a Pennsylvanian, and Elmer Gross, the Penn State coach, is also a Penn State graduate and a Pennsylvanian."

NAVY TANKER SHOWERED BY ASHES FROM H-BOMB BLAST

By WILLIAM J. WAUGH
PEARL HARBOR (P)—The hydrogen explosion March 1 at Bikini Atoll—described by one congressional observer as so tremendous that it was out of control—showered radioactive ash on a U. S. Navy tanker carrying 92 crewmen.

The Navy in a cautiously worded announcement last night disclosed the incident but said "no apparent injury to crewmen exists."

The 14th Naval District here said the 4,200-ton tanker Patapasco had received "a slight and not a dangerous contamination of radioactive fallout."

Distance Not Given
It did not say how far the vessel, one of the fleet supporting the test task force, was from the scene of the explosion.

Twenty-three Japanese fishermen were burned seriously in a shower of nuclear ashes from the same blast. They said they were 30 miles away and outside the official hazard zone.

In addition, 28 American technicians and 264 Marshall Islands natives more than 100 miles from the flashpoint were exposed to mild radiation.

Rep. Chet Holifield (D-Calif.) said Monday the explosion "was so far beyond what was predicted that you might say it was out of control." He said it had blasted "a tremendous hole in the ocean floor."

No Injury Found
The Navy said the Patapasco was laid up at Pearl Harbor "for checking and complete decontamination."

"It has been established that no apparent possibility of injury to crewmen exists," the Navy said. "All members of the crew were removed from the ship and given thorough medical examinations as an extra safety measure. This examination gave no evidence of any harmful effects from the slight exposure."

One source said the blood count of some crewmen was low for a time but had been corrected. Lt. James W. Downing of Newark, Mo., commanded the tanker. It carried six officers and 86 men.

Aged Pioneer In Conservation Dies

LANCASTER, Pa. (P)—R. Lynn Emerick of Elizabethtown, a pioneer in conservation work who served 35 years in the State Forestry Service, died yesterday at St. Joseph's Hospital, Lancaster. He was 70.

Emerick retired in 1946 after serving in the forestry service since his graduation in 1909 from the Mt. Alto School of Forestry.

Emerick, a native of Centre County, first was assigned as a forest ranger in the Scranton area. Fifteen years later he was named head of the Bureau of Forestry Research and from that post was promoted to direct the Bureau of Forests of the State Department of Forests and Waters.

Private funeral services will be held Friday at Elizabethtown.

GOP DEFEATED IN EFFORT TO UNSEAT CHAVEZ

WASHINGTON (P)—A solid phalanx of Senate Democrats has turned back a Republican attempt to unseat veteran Sen. Chavez (D-NM). By so doing, they successfully defended their slim one-vote margin over the GOP in the Senate.

All of Chavez' 47 Democratic colleagues joined with five Republicans and independent Sen. Morse of Oregon last night to defeat the ouster resolution 53-36. Chavez did not vote.

As a result, Chavez now has a firm hold on the Senate seat he has occupied since 1935 and the Democrats still outnumber the Republicans in the Senate 48-47.

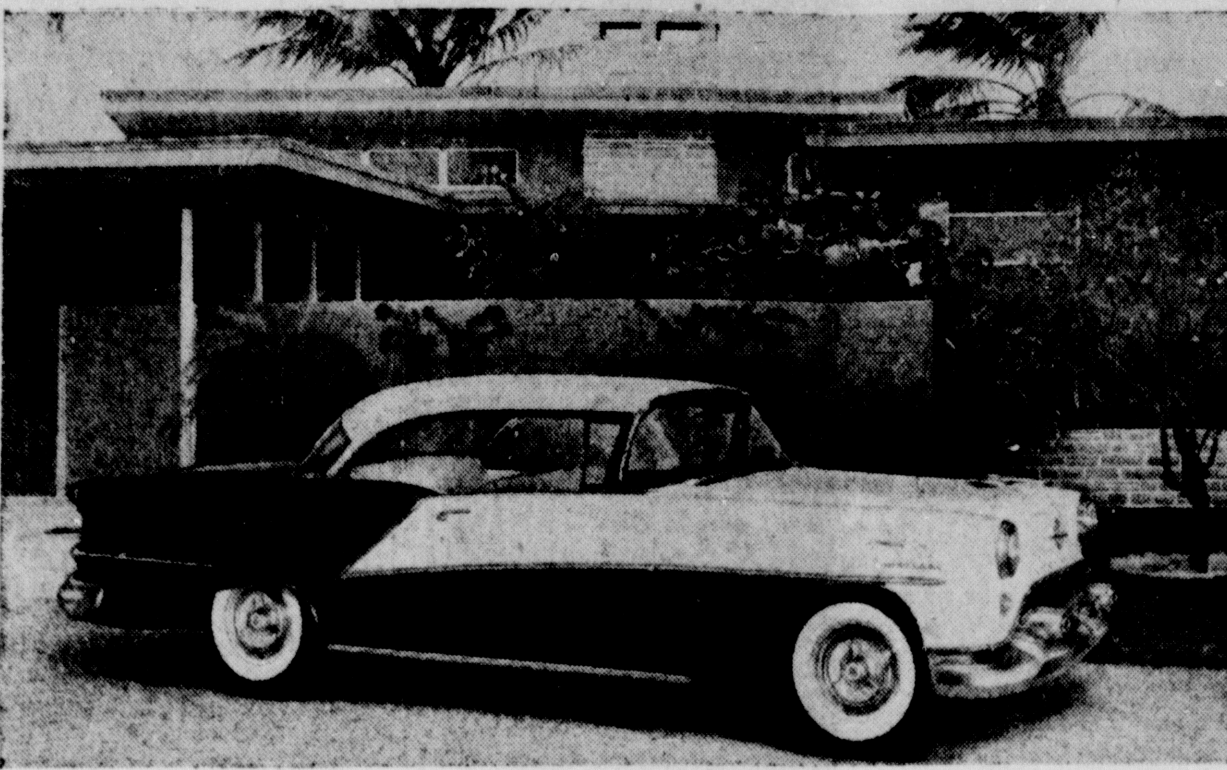

Hailed By Chavez
The defeated resolution declared that the 1952 election in which Chavez outran Republican Patrick J. Hurley by about 5,000 votes was "No contest" and that Chavez' seat was vacant.

The resolution was based on the report of the Republican majority of the Senate elections subcommittee, which said after a 14-month probe that there were so many flagrant violations of New Mexican election law in 1952, it was impossible to tell who really won. The subcommittee majority at no point criticized Chavez' own conduct.

Chavez hailed the vote as a vindication of "the honor and the reputation of my state and 7,000 election officials . . . who participated in the conduct of the 1952 election."

Oldsmobile "98" Holiday Sets New Styling Trend

Flowing lines of this 1954 Oldsmobile "98" DeLuxe Holiday coupe are accentuated by the new sweep cut fenders in the front and rear. The newest two-tone combination, with the rear deck and lower body painted one color and the hood, upper body and roof painted a contrasting color, offers a distinctive styling note. Style features are highlighted by the panoramic windshield, car-wide cowl ventilator and rich hand-buffed leather upholstery appointments.

CHANGING VIEWS ON HIKE ALONG SCENIC CANAL

Along the C&O Canal in Western Maryland (P)—Talk of a compromise on the question of converting the scenic Chesapeake and Ohio Canal into a highway accompanied the Douglas hikers today on the fifth lap of their 184-mile walk to Washington.

The party of 23 led by Supreme Court Justice William O. Douglas left the Potomac Fish and Game Club today on the fifth leg of their hike, about 22 miles to the Conococheague Sportsmen's Club between Shepherdstown, W. Va., and Antietam, Md.

Changing Views
Ireton Barnes, president of the Audubon Society of Washington, D. C., said some members of the party who originally favored a parkway now agree that many places along the canal should not be touched by the proposed highway.

Others, Barnes said, who wanted to keep the canal untouched now are beginning to understand it should be made more accessible.

Douglas, himself, has said there is not room for a highway along the canal without spoiling the natural beauty of the area. But his own thoughts on developing the canal as a recreational area which could be used by "tens of thousands" include more access roads.

Approve Petition To Sell Railroad

LEWISBURG, Pa. (P)—Two petitions to sell a total of 9 1/2 miles of track and right of way of the bankrupt Huntingdon and Broad Top Mountain Railroad were approved yesterday in U. S. Middle District Court by Judge Frederick V. Folmer.

The petitions were presented by Glenn A. Troutman, successor trustee for the company which has been in the process of dissolution for several years. The sales include 3 1/2 miles in Snake Springs, West Providence and Hopewell Twp., and Everett borough, Bedford County, to the Everett Railroad Co. for \$33,737 and another 5 1/2 miles in West Providence and Hopewell Twp., to Clair P. Burtner for \$20,000.

that the increased power is usable power—power that the driver can put to use in the medium and low speed ranges—in ordinary, every day driving situations.

Many of the new styling features were inspired by the General Motors experimental dream cars, particularly the Oldsmobile Starfire. All models in the "98" and Super "98" series are not only three inches lower, but are two inches longer, and this, of course, gives the cars the new long, low-level silhouette. The panoramic windshield and sweep-cut door and fender treatment are outstanding styling features, and contribute much to Oldsmobile's new "sports car" look, even in the conventional two-door and four-door models. Fenders, front and rear, are higher—almost level with the hood in front and with the rear deck in back.

SEEK SOLUTION TO ANTHRACITE UNEMPLOYMENT

WASHINGTON (P)—Hard coal region business and civic leaders met with Pennsylvania congressmen today in another attempt to find a solution to the anthracite area's mounting unemployment problem.

A task force of the Northeast Pennsylvania Industrial Development Commission came to the nation's capital with the announced intention of demanding "immediate assistance" for the hard coal area.

Charles Weissman, Wilkes-Barre chairman of the task force, has estimated the area now has more than 50,000 unemployed and that thousands of others face layoffs next month.

Scheduled to meet with the group are Sens. Martin and Duff, Pennsylvania Republicans, and Reps. Bonin, Carrigg, Panton and Mumma, Republicans, and Walter, Democrat, whose congressional districts include anthracite producing areas.

The meeting, in the House Ways and Means Committee room at the Capitol so that the senators and representatives will not be too far from the Senate and House chambers, is one of a number of conferences held recently in an effort to solve the hard coal area's immediate and long-range economic problems.

CITE OPERATOR FOR "SERVICE"

PHILADELPHIA (P)—The Bell Telephone Co. of Pennsylvania has cited Mrs. Mary G. Erdman, assistant chief operator in its Pottsville central office, for outstanding public service.

Company President W. D. Gillam said Mrs. Erdman showed unusual initiative, quick thinking, persistence, resourcefulness and proficiency in obtaining and for a stricken woman who managed to take her telephone off the hook before collapsing.

The company gave honorable mention awards to Patricia Ann Dunleavy, an operator in Scranton, for obtaining medical aid for a couple overcome by coal gas, and to E. L. Walker, district plant superintendent in McKeesport, for applying first aid to a woman injured in an automobile accident near Donaldson, Pa.

try and House members met last week with Secretary of the Interior McKay and other department officials. A week earlier, coal region congressmen met with representatives of the United Mine Workers and the U. S. Bureau of Mines. Prior to that labor and management representatives from Carbon County met with Walter. And numerous conferences have been held in the area.

Gov. Fine of Pennsylvania has also called a conference of governors from 16 coal producing states. He has suggested the state executives get together in Washington on April 26.

BENDERSVILLE RAISES \$3,435 FOR FIRE TRUCK

Contributions toward the new fire truck purchased by the Bendersville Fire Co. not total \$3,435, the committee in charge announced following a meeting Tuesday evening at the engine house. The 25 solicitors conducting the finance campaign reported \$3,035 in cash and \$400 in pledges so far and hope to complete their drive by the time of the next fire company meeting, April 7. Purchased through Civil Defense

arrangements, the engine will cost the company approximately \$10,000, with the remainder about \$6,000 of the approximately \$16,000 engine, paid by Federal Civil Defense funds. Hope For \$5,000

Firemen expressed the hope that the current drive will bring in at least \$5,000, putting the company half-way toward its goal. Other solicitations and activities over the next year or so will bring in the remainder, provided all goes well, firemen said.

The new pumper will have the latest in equipment and will bring to the area even better fire protection than it has previously enjoyed, firemen said. The new truck will provide equipment which will permit "blanketing" of fires with fine mist, thus cutting down the

Writes Article On Countian's Brother

A brother of Mrs. Richard Allison, Arendtsville, is the subject of an article in last week's issue of The Saturday Evening Post. It is Milton Lehman's story of Joseph B. Gable, of Stewartstown, York County, and it is titled: "The Flowering Forest of Joe Gable."

The story tells about a man who chooses to raise azaleas and rhododendrons despite the comments of those around him who thought that plants were meant for the stomach, not for the soil.

Through the years Gable and his family faced hardships and yet he continued to carry on with the work he loved best. His Pennsylvania Dutch neighbors shook their heads when Joe Gable planted flowering bushes all over his farm. "They don't make no money, ain't," they said. And they still can't understand why people offer hundreds of dollars for a single specimen of fabulous azaleas and rhododendrons.

"Why does a man who has a fine farm and knows more about soil, seasons and plants than any other man in York County devote his life to growing azaleas and rhododendrons?" This is answered by a friend, who said: "Folks around here say Joe isn't much of a farmer, that's true. They say he never knew the value of money, and maybe that's true. They say he never knew Gable's really a pretty happy fellow. He's done exactly what he wanted."

damag from ater while also providing more effective fire fighting ability.

The next report meeting for the solicitors will be held the same night as the regular meeting of the fire company.

Some scientists believe that all pronounced near sightedness is hereditary.

Musselman Company Enlarges Office Space At Biglerville

A portion of the new office constructed at the C. H. Musselman Co. plant at Biglerville is shown, with some of the employees engaged at their tasks. Shown from left to right are Earl W. Crum, Ida E. Crum and Catherine M. Crum. The two Misses Crum, who are sisters, are related only distantly to Mr. Crum.

A number of changes and enlargement of the main office of the C. H. Musselman Co. at Biglerville have been announced by the fruit processing corporation.

The room once on the east side of the main office building, and used previously by the printing department, has been remodeled for use by office personnel.

The addition to the main office is a room 24 feet wide by 30 feet long with six windows on the east side. Improvements to the room include acoustical wall blocks on walls and ceiling to lessen noise. Louvered fluorescent lights were installed and the floor covered with asphalt tile. Heat is furnished by steam in baseboard radiation units.

Now Accounting Section

Eight members of the accounting division now occupy the section. In addition, by removing and adding partitions, larger offices were made available for the company president, John A. Hauser, and the purchasing agent, J. F. Kanagy.

One room on the west side of the main office was allotted for general use in mailing, storing quantities of stationery and business forms and for the operation of the stencil cutter and duplicating machines.

The carpenter work and the placing of the tile on the floors was carried out by Luther Lawver assisted by Bruce Kimple, Charles Hartman, Sterling Birgsmith and Ned Walters. Electrical work was under supervision of Samuel Z. Musselman with Harold Guise and Donald Baker as assistants. Plumbing was under the direction of Clair Bucher. Painting was

4,500 Gallons Of Gas Burn In Crash

BLOOMSBURG, Pa. (AP)—A tank truck carrying 4,500 gallons of gasoline plowed into a telephone pole north of here yesterday and burst into flames, but its driver escaped injury.

The driver, David M. Bowman, 28, of Ephrata, told police he lost control of the semi-trailer when he pulled to the right of the road to allow a car to pass and the wheels of his vehicle sank into a soft shoulder.

Damage to the telephone pole disrupted service in the area for three hours. Traffic was rerouted as firemen fought the blaze for more than an hour.

Starting Work On Two New Schools

Work on construction of the two new Upper Adams elementary schools has begun, with McCoy Brothers, the general contractors unloading a large shovel this morning at Biglerville to carry on excavation work for that school.

Steel has been secured for the construction of the new schools at both Biglerville and Arendtsville, and school officials said the contractor expects to be able to rush the work to rapid completion.

Big Hillside Farm Pond On William Lott Orchard Property Will Irrigate Peaches

A farm pond irrigation system, capable of providing water for 25 acres of orchard, has been completed on a farm of William M. Lott, Gardners R. D., making it the first large pond constructed in the county strictly as an irrigation project.

Results of last season show that Lott would have more than paid for the construction of the irrigation system in one harvest, had the system been in operation at that time, the York Springs area fruit grower declares.

If the 1 1/2-acre pond, with a potential water storage of 4,500,000 gallons of water, proves out in actual practice as well as the paper work shows it should operate, Lott plans to construct an even larger pond to irrigate well over 100 acres of apples.

The present pond will be used on 25 acres of peaches. It was constructed in cooperation with the Adams County Soil Conservation District.

Orchards On Contour

Lott, a Master Farmer award holder, said he had a good crop of apples this past year "but too many were under 2 1/2 inches in diameter. A few good rains, or an irrigation system would have changed the cider apples into top grade and highest priced fruit and brought in additional income sufficient to have more than made up for the extra cost." Last fall's situation nationally and locally showed a short crop of apples and a good price, following a heavy set of the fruit which was kept small by lack of water.

Another fruit grower in the Gardners R. 1 area, John Peters, who operates six fruit farms and is vice president of the Knouse Foods Cooperative, is also considering an irrigation system under the belief that such a system in a year such as last year would more than have paid for its entire cost.

Both men were among the first in the county to plant orchards on the contour and continued the practice through the years to reduce run off of water during rains.

The drainage has also played an important role on both Lott's and Peters' farms. More than 6,000 feet of pipe has been placed on the Lott farm during the past several years.

Band Contest May 6
The Dillsburg Citizens Band will present a concert, Thursday, May 6, at 8 p.m. during Music Week at the Community Memorial Hall.

Church Plans Crusade
Last week, Mrs. Isaac Lehmer, president of the York County Federation of Woman's Clubs, spoke at the Hanover YWCA when the Garden Club of Hanover held its monthly meeting in the social room.

Mrs. George Schweitzer, Dillsburg R. 2, underwent an operation this week at the Harrisburg Hospital. Mr. and Mrs. Schweitzer and their son, Henry, recently returned from an air trip to Mexico City and Acapulco, Mex.

From April 11 to April 16, a Religion-In-Life Crusade will be conducted at the Methodist Church in Dillsburg with services starting at 7:30 p.m. Rev. Lawrence W. Lykens will be guest speaker and

The first farm pond constructed to irrigate an Adams County orchard is the one shown on the William M. Lott farm, Gardners R. 1. Recently completed, the 1 1/2-acre pond, containing 4,500,000 gallons of water, will provide irrigation for a 15-acre peach orchard. If it proves successful a larger dam will be constructed to irrigate more than 100 acres of apples. At the time the pictures were taken by Richard Long of the Adams County Soil Conservation District, there was about eight feet of water in the pond. At 16-foot depth, the water will flow out of the dam. The constructed fill in the foreground is 23 feet high and 130 feet wide at the bottom.

Basketball Title Contest April 2

The championship game for the Basketball League in Dillsburg will be held Friday, April 2, in the Community Memorial Hall. Admission will be free but contributions will be accepted. Basketball players and Jaycees are selling Booster Tickets for 50 cents. The lucky ticket holder must be present to win a large ham on April 2, 1954. Team standings are as follows:

Mrs. Frank Albert Dies In Philadelphia

Mrs. Kathryn B. Albert, wife of Frank L. Albert, Philadelphia, died March 15 at 1:30 a.m. from a cerebral hemorrhage suffered Sunday night, March 14. Mrs. Albert had a heart attack the middle of November but had recuperated very nicely and for the last month had been able to be around and assume part of her household duties. Sunday night while she and Mr. Albert were enjoying her favorite TV programs she was stricken and never regained consciousness.

She is survived by one daughter, Mrs. Betty Gold, Calif. She was buried in the St. James Cemetery, Olney, Pa. Mrs. Albert was a sister-in-law of Miss Edna Albert, Gardners, and was a frequent visitor here.

Frank L. Albert and daughter, Mrs. Betty Gold, and Mrs. Peggy Kiebler, of Philadelphia, visited Miss Edna Albert on Sunday.

Clubwomen Selling Mats To Raise Funds

Mrs. Charles Rider is serving as distribution chairman for the Dillsburg Woman's Club in the project of selling sets of historic Independence Hall place mats being undertaken as a project of the General Federation of Women's Clubs to raise funds to restore the entire first floor of Independence Hall.

The Pennsylvania Federation of Women's Clubs is cooperating and has developed the set of place mats to be sold by women's club members in this state. The set of 20 contains five scenes each of Independence Hall, the Liberty Bell, Christ Church and Carpenter's Hall. The set sells for \$1 and all proceeds will go for the restoration of the shrine.

Assisting Mrs. Rider are Mrs. Paul Hoffman, and Mrs. Paul Eulich. The mats may be purchased at Spoerlein's Store.

TO DEDICATE CHURCH SUNDAY

Dedication services will be held Sunday at 9:30 a.m. and 7:30 p.m. at the Chestnut Grove Lutheran Church, York Springs R. 1, the Rev. Norman L. Bortner, pastor. The dedication will be for recent improvements made at the church amounting to about \$12,000 and consisting chiefly of the excavation and finishing of a basement for Sunday School and social purposes and the installation of a forced hot air, oil-fired heating system.

Judge W. C. Sheely will be the speaker in connection with the Sunday School program at 9:30 a.m. There will be two vocal solos by Miss Shirley Heller of Gardners. Near the end of the Sunday School program there will be a procession of the Primary Department to their new class locations where they will remain for their own concluding program of the Sunday School.

The dedication service will be held in the evening and will be in charge of the pastor. An altar and lectern which have been placed in the basement for a worship center as a gift in memory of Cora Fissel by the late Clayton Fissel will be dedicated along with the other improvements. The speaker at this 7:30 service will be the Rev. Lester M. Utz, pastor of the Emmanuel Lutheran Church, Pittsburgh, and former pastor of the York Springs Lutheran parish. There will be two special vocal number by the members of the church choir.

The Women's Society of World Service of Wellsville EUB Church has chosen these department secretaries: Mrs. George Dettler, Missionary Education; Mrs. Charles Cline, Christian Social Relations, and Mrs. Roy Crone, Spiritual Life.

Methodists To Sell Hawaiian Corsages

The March meeting of the Wesleyan Service Guild of the York Springs Methodist Church was held recently at the home of Mrs. Harold King with 11 members present. The birthday of one of the members, Miss Ruth Guise, was celebrated. The group decided to hold another public doughnut sale on March 31 at York Springs Fire Hall beginning at noon. On Fastnacht Day they made and sold 230 dozen doughnuts. The April meeting will be held at the home of Mrs. Dale Williams.

The choir of the York Springs Methodist Church will again sell orchid corsages this Easter. Mrs. Meyers, wife of the pastor, procures the blooms, from her native Hawaii and members of the choir assemble the corsages as an annual project. Orders must be given not later than April 5.

Recent visitors at the home of Mr. and Mrs. Harry Dixon were Mr. and Mrs. Derling Lay, Eugene Lay, Mrs. John H. Chronister and Linda Foltz of Carlisle. Mrs. Chronister is a sister of Mrs. Dixon.

Red Cross Benefit On Friday Evening

The Hi-Lights and the York Springs Fire Company are sponsoring an evening of entertainment and dancing for the benefit of the Red Cross on Friday night. There will be both instrumental and vocal numbers, tap dancing, and as a special feature two radio stars, Pat and Jean, will entertain. Community support for the project is being urged.

PROPOSES U. S. NOT DISCUSS INDOCHINA AT GENEVA MEET

By JACK BELL
WASHINGTON (AP)—Sen. George (D-Ga.) proposed today that the United States refuse to discuss the Indochina question with the Chinese Reds at Geneva and concentrate on seeking a Korean settlement.
George, senior Democrat on the Senate Foreign Relations Committee, said in an interview he is opposed to giving the Chinese Communists even the implied recognition he contended is involved in negotiating with them on problems of an area where their troops are not directly involved.
In that connection, he said the Senate ought to be represented in a bipartisan way at next month's five-power meeting at Geneva, Switzerland, to bolster the administration's expressed determination not to let Red China into the United Nations.
Chairman Wiley (R-Wis.) of the Foreign Relations Committee agreed the Senate ought to be represented.
"It would be a good opportunity to learn the changing facts of the world at first hand," he said.
Secretary of State Dulles told his news conference yesterday he has made no decision whether to invite a bipartisan congressional group to go with him to Geneva. He said he expects to discuss this soon

Israel Maps Project, Self-Support By '61
TEL-AVIV (AP)—Experts think Israel can grow all her own food within seven years. To do so she would have to add 41,000 farm units and multiply irrigation by four. The farm population would be doubled.
Government policy backs the program. Bad farm practice is a legal offense. One collective farm was fined recently for promoting erosion by failure to use contour plowing.
Meanwhile, efforts are being made to expand home grown foods. To supplement meager meat supplies, poultry projects are being expanded. About a million chickens a month go to a population of 1,700,000. These are being provided after three months when no one but the sick got a meat ration. Meanwhile officials promote consumption of large quantities of locally grown vegetables.

THIEF LIKES POPCORN
MISSOULA, Mont. (AP)—A Missoula popcorn factory operator, George Henke, told police someone stole a five pound bag of popped corn from his factory. The bag was about two feet in diameter and four feet high.
with key legislative leaders.
"The Russians undoubtedly will put on a drive at Geneva to get the Chinese Communists into the picture and eventually into the United Nations," George said.
"I believe a majority of the Senate members of both parties oppose any such recognition for the Chinese Communists and oppose negotiating with them on anything except Korea, where they were directly involved."
"I don't think we ought to join in any negotiations with them about Indochina."

AUDIT SHOWS BANK \$75,000 SHORT OF FUNDS
CLIO, Ala. (AP)—The fear which began gnawing at citizens here three weeks ago when banker Royall Reynolds disappeared became an awful truth yesterday—an audit showed a \$75,000 deficit at the Merchants Exchange.
An official who helped audit books of the little uncharged money exchange declined use of his name but said the check revealed at least that much money is missing.
Back To Jail
He added, however, that the \$75,000 figure does not include personal property which Reynolds has promised to throw in to help make up any deficit.
Reynolds, who was president of the defunct exchange, said he would dispose of his home, car and government bonds in an effort to pay off depositors. There was no estimate of the value of his personal holdings.
Reynolds, released from jail temporarily to help with the audit, was put back in his cell after the check was completed. He is charged in three warrants with embezzling funds of the exchange while president.
Fred Schwanz and Ed Schutte of Butte, Mont., had the same average after 69 games of bowling this season. Each man knocked down 10,481 pins for a 151 average.
